The IMC at The Hague is for City/Countries students to participate in an extraordinary law-related competition combined with a cultural component. Please answer the following questions.

- 1- Please describe the student population you would enter in the competition. We encourage lower socio-economic teams to apply.

- 2- Are your students proficient in English as this competition is in English only?

- 3- Does your school or team participate in law-related courses in high school? Please explain.

- 4- Does your city/country have sponsors for the program? If so, please explain.

- 5- Please explain how you will pay for the transportation, food and most of the hotel? (The organizers will cost share the hotel and some food costs).

- 6- Do you have a lawyer or law firm willing to coach your team? Please explain.

- 7- Do you have a designated teacher to chaperone the students at The Hague?

- 8- Are you willing to participate in the program in January 2018?

- 9- Do you have a national competition for student selection or do you plan to take an all-star team or students from one class?

- 10- Do you have 6-7 students to participate for the entire competition? Student teams will have numerous opportunities to present their oral arguments.

- 11- Please describe why the committee should select your city to be a part of this program.
